Dear 1990 Manitowoc County Fairgoers:

We, the members of the After Sunset Extension Homemakers of Mishicot, invite you to browse through our photo album which highlights special occasions during the past thirty-seven years.

Belonging to Extension Homemakers has enriched our lives both from an educational and social viewpoint. We have learned to become leaders, to better our home and community life, and to support one another.

We invite you to join our organization, so that you too can reap these many benefits. In Manitowoc County there are nearly 800 members.

The photo album was prepared by Mildred Schmidt, who has been an Extension Homemaker for all of these many years. Take a look, ask questions and it certainly would be great if you would consider becoming ONE OF US.

In Friendship,

AFTER SUNSET EXTENSION  
HOMEMAKERS CLUB
